

"Life is simple - Eat, Sleep, PLAY!"

SECA has established a fund to continue to preserve the open space at Memorial Park and to continue to enhance and improve the recreation facilities located on the park grounds. Thousands of people of all ages use the park throughout the year and upkeep becomes more costly. Currently, SECA invests over \$30,000 annually in maintaining the entire park facility. By establishing this fund, SECA will strive to preserve Memorial Park and continue to improve upon the facilities located within the park: Swimming Pool, Volleyball Courts, Basketball Court, Extreme Park, Hockey Rink, Playground, Pavilions, Pond, Open Green Space, and the SECA Community Center.

SECA has begun to utilize the grant money that we have received. You may notice some changes when you come to the park! We were able to do some long needed sprucing up, and purchase new carpet, refrigerator, ice maker, and chairs.

Grant funding has covered the cost of the above projects. There are still projects that SECA would like to complete and we need the help of the community to make this happen. Without your help, we will not be able to complete all of the projects that we desire to complete. There are many more things SECA would like to offer the community within the park, but without a fund to assist in maintaining these facilities, they cannot happen. Future projects that SECA hopes to undertake include:

- Resurfacing of the basketball court
- Addition of lighting to the hockey rink
- Install permanent restroom facilities & outdoor drinking fountains
- Better lighting for the SECA Center parking lot, basketball courts, hockey rink and sand volleyball courts

If you have ideas of needs within the park, please contact SECA, and if you would like to help us with the Park Fund, please complete the form below and return to SECA. Even if you are willing to offer your time by volunteering, it would be greatly appreciated.
